

WHAT WE OFFER

As the first BTEC approved center in Madagascar, Kits4Kids ISM adopts a comprehensive, dual and holistic approach to education through challenging and dynamic program:

- 1** Pearson BTEC International Level 3 Extended Diploma in Business and Hospitality for our senior students (SH Years 1 and 2) combining both a practical perspective and strong academic foundation.
- 2** School-based curriculum inspired from international standards and International Schools Assessments for our middle school students (KJS Years 1 to 5) aiming to build up unique learning traits and profiles and ensuring firm academic foundation.
- 3** School-based curriculum offering a holistic approach to education and empowering students for the International Schools Assessments for our elementary students (Kinder to 5)

WHY CHOOSE US?

At Kits4Kids ISM, we believe every child can learn. Our goal is to empower internationally-minded, caring, open-minded and risk-taking lifelong learners and communicators, who want to bring about change through knowledge, inquiry and reflection.

COMMUNITY-FOCUSED

We empower our students to be mindful and caring of the community they are in and to become citizens of a global community.

FUTURE-ORIENTED

We shape our students to become tomorrow's leaders, change makers and innovators.

PERSONALIZED LEARNING

We design programs and activities to help each student realize his unique potential.

INTERNATIONAL CURRICULUM

We offer and adopt international standard programs to develop students into lifelong learners.
